

LOOSE LEAF TEA TINS *by Kotobuki*

Style combines with function in these striking tea tins. The red tin has a beautiful red lacquer finish and the crane and tree trunk are handpainted. The other two tins are wrapped with “yuzen paper,” a process that originated in Kyoto, Japan. A removable inner seal helps tea maintain its just-opened freshness. Holds 200 grams. 6” tall. (Use dry cloth to clean Black and Indigo; hand wash Red.) Made in Japan.
